

BIRTH VERIFICATION NOTICE

Virginia state licensing standards require we fill out a birth verification form for each newly enrolling child. This includes both new students and siblings of returning students. If your child is a new student or a new sibling, please plan to bring his/her passport, birth certificate, or other record of birth/adoption to school so that one of our staff can fill out the form. We don't keep the documents or make copies of them.

****If you are a new parent, plan to bring your child's documents to New Parent Orientation or to school when you turn in your forms.**

****If you are a returning parent, plan to bring your child's documents to school when you turn in your forms.**
